Curriculum Vitae | r14544007@ntu.edu.tw | <https://j1030431-collab.github.io/jianzhaocen.github.io/>

Education

- National Taiwan University (NTU), M.A. Student, Graduate Institute of Building and Planning (2024–Present)
- National Taiwan University (NTU), B.A. in Sociology (2020–2024)

Research Interests

- Critical Heritage Studies and Infrastructure
- Urban Development and Housing Justice
- Development Sociology
- Indigenous Studies
- Science and Technology Studies (STS)
- Qualitative Research and Ethnography

Research Projects

- Master's Thesis: From Urban Discard to Rural Bricolage: Retired Bike-Sharing Infrastructure and the Reproduction of Mobility Injustice in Taiwan
Examines how decommissioned urban bike-sharing infrastructure is repurposed in rural contexts, tracing how discarded mobility systems are re-signified and re-valued — connecting infrastructure studies with questions of heritage-making and value transformation.
- Urban Heritage and Local Identity Research (Independent Study / Fieldwork)
Independent field-based research on [location/site] examining how local communities construct and contest heritage identity through [specific focus — e.g. built environment, oral history, contested sites]. [Add 1–2 sentences on methods used and key findings once finalized.]

Conference Presentations

- International Forum on Urbanism (IFoU) 2026, Beijing, China — Accepted Presentation
- Kobe University Academic Presentation, Japan (2025)

International Academic Experiences

- Utrecht Summer School, Netherlands (Summer 2026)
- Awaji Island Field Traineeship, Japan (Summer 2026)
- Singapore Academic Exchange Program (Fall 2025)

Work and Internship Experience

- Research Assistant, Department of Geography, National Taiwan University (Fall 2025–Present)
- Private Tutor (2024–Present)
- Intern, Taiwan Labour Front (Summer 2023)
- Teacher Training Program, HumanEd Foundation (HEF) (Spring 2023)
- Intern, Taiwan Labour Front (Summer 2022)
- Service Intern, Homeless Persons Support, Lonely Person's Canteen (浪人食堂) (2021–2022)

Research Methods

- Ethnography
- In-depth Interviews
- Participant Observation
- Field Notes Analysis
- Social Statistics

Languages

- Chinese (Native)
- English (Academic Working Proficiency; standardized test score in progress)

Awards and Achievements

- Ranked First in Admission to NTU Graduate Institute of Building and Planning
- Accepted Presentation at IFoU 2026
- 優選獎, 21st National Planning Internship Exhibition — Urban Renewal Innovation Award (2026)
